

EXAMPLE OF A YOUDILIGENCE™ PORTAL

YOU Diligence™
Responsible social networking.

When you log in to your portal, this is the page that will open. It is where the reports from each word found will be stored for you to review. Each report contains the your child's name (in case you have more than one child being searched), the date, the key word found, the context in which the word is used, and a hyper-link to take you to the page.

It is also where you can edit the key words you are having YouDiligence search for, edit the MySpace and Facebook information of your child, and add or edit email addresses where alerts are sent.

The screenshot displays the YOU Diligence portal interface. At the top left is the logo and tagline. The user profile for 'KEVIN' is shown with navigation links for 'MY ACCOUNT', 'FRIENDS NETWORK', '[REPORTS]', and 'REFER A FRIEND'. A 'LOGOUT' button is in the top right. A dark navigation bar contains links for 'HOW IT WORKS', 'SOCIAL FEED', 'PRICING', 'FAQs', 'CONTACT US', 'SIGN UP', and 'A TECHNOLOGY YOU CAN TRUST'. Below this is a 'Key' section with a legend: 'P' for profile, 'C' for comment, 'PH' for photo caption, 'F' for friend post, and 'B' for blog post. A 'NEED HELP?' section lists 'YOU DILIGENCE SETUP', 'FACEBOOK SETUP', and 'MYSPACE SETUP'. The main 'Reports' section shows two entries for 'Nov 13, 2008'. Each entry includes 'Terms Used: ak', 'Context: Context not applicable for this item', and a 'Link' to a Facebook profile. On the right, a 'WHAT YOU ARE SEARCHING' section allows adding or deleting child names (currently 'kevin') and words (currently 'Drugs') from a search list.
